What makes our program so unique?

- We use a system developed by the Titleist Performance Institute's (TPI) program of Long Term Athletic Development (LTAD) and The American Development Model that focuses on developing athletes first and then golfers.

What will your child be doing in our classes?

- A LITTLE BIT OF EVERYTHING!
- A warm-up followed by fitness drills and exercises for coordination, strength, speed and agility.
- A rotation through various golf skills stations
- Playing age appropriate learning games
- Participating in skills challenges/competitions
